FOR IMMEDIATE RELEASE

Attempted Enticing of a Minor 2025-46898

Schertz, TX (9/2/2025) – On September 1, 2025, at approximately 4:47 p.m., the Schertz Police Department received a report of a suspicious person. The reporting party stated her 13-year-old daughter was walking home on Westchester near Curtiss Avenue when a white male, blonde hair, and wearing a black tank top drove up to the child in a black Honda Civic. The male asked the child for her name and to get into the car. The child did not provide any information to the suspect and went directly home and told her parents about the encounter.

Our officers responded to the area and began searching for the vehicle and suspect but were unable to locate either. The officers did notice a few homes in the area that had cameras but were unable to make contact with the residents. If you live in the area and have security cameras, please review your footage. If you see this vehicle and or suspect in your security videos, contact us at 210-619-1200.

We are thankful to the child for not providing this suspect with any information or getting into the vehicle. This is an example of “Stanger Danger” and just one of many difficult conversations parents need to have with their children. The Schertz Police Department is extremely concerned about such an event and we will continue in our due diligence to solve this crime. We are collaborating with multiple agencies in an attempt to identify the suspect and this is an on-going investigation.
