FOR IMMEDIATE RELEASE

Police Sergeant Arrested for DWI 2025-34791

Schertz, TX (6/26/2025) – In the early morning hours of June 26, 2025, at approximately 4:10 a.m., Sergeant Michael McGuire of the Schertz Police Department was arrested by officers from our agency on suspicion of Driving While Intoxicated (DWI). This incident occurred in the Sycamore Creek Apartments, located at 1000 Elbel Rd. The arrest occurred while he was off duty. He was transported and booked into the Guadalupe County Jail shortly thereafter.

Sergeant Michael McGuire, a 22-year veteran of the department, is currently assigned to the Patrol Division. He will be placed on administrative leave pending the outcome of the criminal and/or administrative investigations which are conducted simultaneously but separately. Chief of Police Jim Lowery stated, “I am disheartened to learn of the arrest of Sergeant McGuire because it represents a deviation from the commitment all officers make when we take our oath and pin on the badge. We will learn from this, grow as an agency as Schertz PD remains committed to providing professional police services with honor, integrity, accountability and transparency. Being a leader in the community doesn’t stop when the uniform comes off. Our officers know they are expected to obey the law as well as adhere to our strict code of conduct. Driving while intoxicated is a serious offense and we will cooperate fully with the Guadalupe County Attorney’s Office throughout this investigation. ”

Sergeant McGuire is entitled to the same legal rights as any citizen and is presumed innocent until proven guilty. This is an ongoing investigation, no further details are available currently.
