FOR IMMEDIATE RELEASE

Terroristic Threat 2025-46930

Schertz, TX (9/2/2025) – On September 1, 2025, at approximately 9:04 p.m., the Schertz Police Department received notification regarding a threat directed at Clemens High School, which had been communicated through the social media platform Instagram. A student from Clemens High School was contacted via direct message, wherein a reference to the school was made.

Following a thorough investigation, it was concluded that no specific or credible threat existed to the campus. Nevertheless, an increased police presence had been established at the school, and collaboration with school administrators will continue throughout the duration of the investigation.

We wish to express our gratitude to the student who took the initiative to report this incident. This exemplifies the effectiveness of the "See Something, Say Something" initiative. Furthermore, we collaborated with the school district as they launched the "Threat Regret" campaign, which seeks to address the serious implications of making threats related to school. This is an on-going investigation and if a suspect is identified he/she will be prosecuted to the full extent of the law.
