FOR IMMEDIATE RELEASE

Terroristic Threats 2025-46307

Schertz, TX (08/28/2025) – On August 28, 2025, at approximately 3:29 p.m., the School Resource Officer (SRO) at Clemens High School was contacted by school administration regarding reports of two students making terroristic threats the previous week.

During the investigation, it was revealed that a juvenile male had threatened the school by expressing a desire to "shoot up the school," although he did not have any firearms. A second juvenile male suggested that he could provide the weapons. A fellow student reported these threats to the school administration, and video evidence was obtained to support the charge of terroristic threat.

Both juvenile males were taken into custody without incident for making terroristic threats, which are classified as a third-degree felony. They were transported to the Guadalupe County Juvenile Detention Center. This case remains an active investigation.

We want to express our gratitude to the student who came forward to report the threats, and we acknowledge the school administration for their collaborative efforts during this investigation.
