FOR IMMEDIATE RELEASE

Motorist Flees Major Collision 2025-42002

Schertz, TX (8/6/2025) – On August 6, 2025, at approximately 12:14 P.M., the Schertz Police Department responded to a report of a collision involving a motorcycle and a vehicle in the area of the I-35 Northbound Access Road near Fairlawn Road. Before officers arrived, the driver of the motorcycle fled the scene on foot. The suspect is described as a white male, approximately 5'10" to 6'0" tall, wearing a white shirt and white socks, and carrying a backpack. He appears to have injured his left arm which includes severe road rash and thus it is believed he may be injured, though the extent of his injuries is unknown since he left the scene. It is unknown why the suspect fled the scene but clearly did not want to talk to the police, this is an on-going investigation.

The motorcycle did not have a license plate, and the VIN did not match any registered vehicle. As a precaution, Schertz Science and Technology and Sipple Elementary School were placed in a secure condition. A secure protocol means that all perimeter doors are locked, and no one is allowed to enter or exit the building, and business is usual inside the school.

If anyone witnessed the collision or has information about the motorcycle operator, please contact the police department at 210-619-1200. There was a large police presence, including use of a drone and K9, in the area to assist with searching for the suspect. We were unable to locate the suspect, and the schools were released from their secure status. We do not believe there is a continued threat to the community as the suspect appears to have fled the area. We would like to thank our local partners, Guadalupe County Constable Pct. 3 and the Guadalupe County Sheriff's Office, for their assistance in searching the area.
