

LET'S TALK TRASH

SCHERTZ
COMMUNITY • SERVICE • OPPORTUNITY

COLLECTION GUIDELINES

- Set out cart by 7 a.m. on your collection day. Pick-ups will occur between the hours of 7 a.m. - 7 p.m.
- Trash is collected once a week. All trash must be bagged and tied before placing it in your Frontier Waste cart.
- Recycling & Brush/Bulk is collected every other week on the same day as your regular trash service day.
- To purchase extra trash or recycling carts, please call the Utility Billing Office at (210) 619-1100 or go to Schertz.com/cartrequest.
- Place cart at least three feet from any other objects such as mailboxes or other carts.
- Place cart facing the street with the handle facing towards your home.

Acceptable items for recycling

Place empty and clean items in your recycling cart | Do NOT bag your items | Break down all cardboard boxes and place them loosely in the cart.

Aluminum &
Steel cans

liquids

Cords, lights, &
hoses

Soiled food
boxes

Plastic bags, paper
plates/napkins

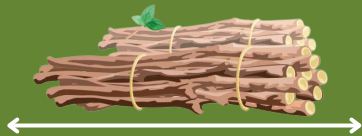

Glass bakeware
& ceramics

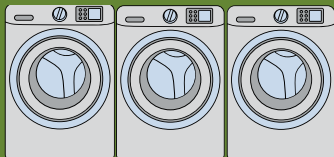

Styrofoam

Brush/Bulk Pick-Up

- All appliances containing freon must be professionally removed by a contractor, certified with a tag confirming freon removal, and only then placed by the curb.
- Limbs cannot exceed 4 ft in length or 4 in in diameter. Limbs greater than 4 in in diameter should be split into smaller pieces, and limbs greater than 4 ft in length should be cut into smaller lengths to limit their weight. Limbs must be tied with string or twine in bundles.

- Brush/bulk is limited to three (3) cubic yards per collection. 3 standard front load washing machines are comparable to 3 cubic yards.

- All grass clippings and leaves must be placed in bags.

- No household hazardous waste is accepted for brush/bulk pick-up.
- No tires are accepted.
- No commercial debris allowed.
- All items that are placed at the curb will be considered bulk/brush and will be collected.
